The Priory LSST Year 11 Handbook

2023-2024

Head of Year welcome

Dear Parents/Carers

I am delighted to join your child's journey with them at the Academy as their Head of Year in their most important year here at Priory LSST. As we enter Year 11 I am incredibly excited to watch the year group continue to inspire and flourish. They are resilient and aspirational and have demonstrated great determination to continue to succeed throughout these unprecedented times. They have immersed themselves in opportunities and extra-curricular activities available and have ambition to succeed despite what the world throws at them. I encourage them to be excited for the new challenges that lie ahead this year and to tackle every new experience with the courage and strength, which has continued to grow during their time at the Academy.

The year ahead will be a busy one, with Year 11 students sitting their GCSE examinations in May and June. They will be supported throughout this process, with regular focus on revision techniques and teaching staff and tutors alike checking in on both their progress and most importantly their wellbeing. The students will need to put maximum effort into their studies and make the most of all the support they are offered in order to fulfil their potential. Year 11 is a time when students look ahead one year and try to fill out more detail as to what they would like to do following their GCSEs. We will help them to start to look at different higher education and career options, with each student able to take advantage of meeting with Mrs Billett, the careers and pathways advisor, and also meet with the Sixth Form Team as they think about A Levels.

Year 11 is also a time when students start to look ahead in more detail to what they would like to do following their GCSEs. We will help them to start to look at different higher education and career options, starting with our Careers Fair, which helps us all to fulfil a key role in preparing our students for their adult life. A large amount of this is helping them to achieve the academic qualifications, which will enable them to have a wide variety of options open to them after Year 11. However, our focus on key employment values such as punctuality, respect and resilience is also of crucial importance and probably even more critical this year given the circumstances we have found ourselves in.

As a year group, we aim to promote and establish values that will allow every student to grow and flourish. A large amount of the pastoral efforts this year will be helping them to achieve the academic qualifications but our focus will also be on nurturing those key employment values such as punctuality, respect and resilience is also of crucial importance.

I would like to take this opportunity to encourage students to continue their involvement in opportunities that are available to them outside the classroom. This is incredibly important for their mental wellbeing to explore and discover what is out there for them to enjoy and achieve in. Extra-curricular opportunities for students are numerous at the Academy, with a wide variety of musical, artistic and sporting opportunities available, in addition to many others such as house activities, the Combined Cadet Force and D of E.

I look forward to the year ahead, having the privilege of sharing in their highlights, celebrating their successes and guiding students through the coming year.

Miss L Bellamy
Head of Year 11

Communicating with the Academy

Under normal circumstances your child's Form Tutor is the first person who should be contacted. If it is a subject specific query then please contact their Subject Teacher. More serious issues may require communication directly with the Head of Year. We politely ask that if you have a concern you wish to discuss that you ring the Academy in order to speak to the relevant member of staff. Teaching staff are not always easy to contact directly but the reception team will always attempt to contact them as soon as is practical. Please be assured that if a member of staff cannot speak with you at the time of your call they will be in contact at their earliest opportunity. Any emails identifying concerns will be responded to, but the member of staff may contact you by telephone to discuss the matter. Please be aware that anything sent in the evening and at weekends may not be responded to until the next working day. We thank parents/carers for their cooperation in this matter.

Attendance Information

The Academy expects that a student's attendance will be 100% in order to ensure that they are able to perform to the best of their ability. To help maintain attendance levels please can we ask that any appointments are made outside of the academy day where possible. However, we understand that some absences are unavoidable and we wish to work with families in these instances. Please do not hesitate to contact the Academy if there is anything you wish to discuss with regards to attendance and what can be done to support you/your child. If a student is absent from the Academy then they will be expected to catch up on any missed work and their Form Tutor and subject teachers will support them with this. The government recognises students as persistently absent if their attendance drops below 90% for the academic year, or is below 90% in any six week period. Understandably, we would like to avoid this wherever possible and so it is vital that we work together in ensuring high levels of attendance.

First day calling

If your child is going to be absent then please contact the Academy in the morning, stating a reason for their absence. If your child's absence goes beyond one day we need to be contacted on each subsequent day of absence.

Year 11 Subject Information

During the week, your child will complete 25 timetabled lessons in a range of subjects. The timetable will follow the breakdown in the table below.

Subject	Lessons per week

Attitude to Learning (AtL)

The AtL grade is awarded on a four point scale. Grades are given in letter form (A to D). All staff use the descriptors relating to our Academy values in the table below when deciding on AtL grades.

	Grade	Resilience	Innovation	Aspiration	Inspiration	Respect
Outstanding	A/1 This student:	consistently embraces challenge and responds positively to setbacks	actively explores different approaches and methods to find the best solution	aspires to be the best that they can be and takes pride in their contribution to academy life and the wider community	consistently sets a positive example to others	is kind and considerate to others at all times and is tolerant of others' views
Good	B/2 This student:	tries hard to complete tasks as instructed and asks for help when needed to overcome challenges	tries to look for solutions rather than problems and can display creativity in thinking	has high expectations of themselves and responds to and acts on verbal and written feedback to improve	makes positive choices and sets a good example to others	is polite and considerate of others and tries to listen carefully to teachers and students
Requires Improvement	C/3 This student:	will attempt to complete tasks and knows where to find support but sometimes gives up a little too easily	will attempt new things but only if they believe it will benefit them and is reluctant to engage in the range of opportunities available	completes the minimum amount of work required but will do more with encouragement and reminders	occasionally takes advantage of positive influences around them but could make more positive choices in lessons	usually considerate of others but occasionally needs reminding of manners
Concern	D/4 This student:	fails to embrace challenge and gives up if tasks require effort	appears unwilling to try new things and creates barriers to learning	displays little drive and motivation and does not appear to want to do well	Rarely makes positive contributions and often distracts others and disrupts their learning	struggles to communicate positively with others, showing little understanding of their views and feelings
