The Priory LSST Year 10 Handbook

2017-2018

Head of Year welcome

Dear Parent/Carer

It is a privilege to be able to continue my role of your son/daughter's Head of Year this academic year. There is no doubt that Year 10 is a very important one in their time here at the Academy. GCSE courses are firmly underway and students are hopefully refreshed after the long summer break and are ready to face the challenges that lay in front of them.

Year 10 is a time for many students to fine tune their work ethic and skills that have been developed and honed since joining the Academy. For some, it is an opportunity to increase their work rate and tackle targets that were set at the end of Year 9 in order to make sure that every minute of Year 10 really does count. We as staff are here to support them in this.

I hope that as well as working hard, students will continue to take up every opportunity on offer to them, both in and outside of the classroom. In an ever competitive market it is vital that students are able to show future employers or educational establishments what else they have to offer rather than just the academic side.

This booklet contains vital information about all aspects of Year 10 and should be used as a starting point for any questions. However, if at any time throughout the year you are concerned with anything relating to your son/daughter's education, I would encourage you to make contact with either their Form Tutor or their Subject Teacher in the first instance.

I look forward to working with you and your son/daughter over the coming academic year.

Mrs E Mellor
Head of Year 10

Communicating with the Academy

Under normal circumstances your child's Form Tutor is the first person who should be contacted. If it is a subject specific query then please contact their Subject Teacher. More serious issues may require communication with their Head of Year. We politely ask that if you have a concern you wish to discuss that you ring the Academy in order to speak to the relevant member of staff. Teaching staff are not always easy to contact directly but the reception team will always attempt to contact them as soon as is practical. Please be assured that if a member of staff cannot speak with you at the time of your call they will be in contact at their earliest opportunity. Any emails identifying concerns will be responded to, but the member of staff will contact you by telephone to discuss the matter. Please be aware that

anything sent in the evening and at weekends may not be responded to until the next working day. We thank parents/carers for their cooperation in this matter.

Attendance Information

The Academy expects that a student's attendance will be 100% in order to ensure that they are able to perform to the best of their ability. To help maintain attendance levels please can we ask that any appointments are made outside of the academy day where possible. However, we understand that some absences are unavoidable and we wish to work with families in these instances. Please do not hesitate to contact the Academy if there is anything you wish to discuss with regards to attendance and what can be done to support you/your child. If a student is absent from the Academy then they will be expected to catch up on any missed work and their Form Tutor and subject teachers will support them with this. The government recognises students as persistently absent if their attendance drops below 90% for the academic year, or is below 90% in any six week period. Understandably we would like to avoid this wherever possible and so it is vital that we work together in ensuring high levels of attendance.

First day calling

If your child is going to be absent then please contact the Academy in the morning, stating a reason for their absence. If your child's absence goes beyond one day we need to be contacted on each subsequent day of absence.

Term time holidays

Due to current regulations the Academy cannot authorise holiday requests unless there are exceptional circumstances. If you believe this may be applicable then please write a letter to the Headteacher outlining the circumstances. Where a student's attendance is below 96%, or there have been previous attendance concerns, the Academy may not grant permission for a request for absence (even in exceptional circumstances). We would ask that holidays continue to be taken during the 175 days when students do not have to be in attendance.

Registration

All students are expected to be present for morning registration (8.30am-8.50am). If any student arrives after 8.50am then they must sign in with a receptionist, either at Main Reception or Sixth Form Reception. If students have to leave the site before the end of the academy day then they should have a note from parents/carers in their daybook which must be shown to their Form Tutor during morning registration. They must ensure that they sign out at either reception before they leave. If students in Year 10 are unwell during the day then a receptionist will contact home – we ask for safeguarding reasons that students do not contact home directly.

If you wish to discuss your child's attendance then please contact your child's Pastoral Learning Mentor:

Year 10 to 11

Mrs S Rogers

srogers@poryacademies.co.uk

Accessing the Site

During the academy day all visitors must report to reception.

If you are collecting your child at the end of the day by car then we politely ask that parents/carers park on the tennis courts and not at the front of the academy building. We would like to make parents/carers aware that the academy gates will not open until 2.45pm. Therefore we politely ask that you do not try to access the site before this time. For safeguarding reasons we ask that parents/carers wait in their vehicles and do not walk around the site. If you need to speak with a member of staff we ask that you go to main reception where a member of the team will be able to assist you.

If you are collecting your child from the Sixth Form site then we ask parents/carers to be respectful of the residents on Urban Street. Please support the Academy by being mindful of not blocking the road or turning/parking on the zebra crossing.

Before and End of the Academy Day Guidance

Students have access to the Academy Breakfast Club which is open from 8.00am to serve students a healthy breakfast. Other than to attend breakfast club students are not permitted to be in the Academy buildings before 8.20am. If it is raining then students are permitted to stand on the carpeted area in the entrances to the buildings.

For health and safety reasons students should not be on site unsupervised at the end of the day. Any student who is being picked up after 3.30pm must attend a supervised club.

The Student Daybook

The daybook is a resource given to all students on their first day. Primarily it serves as an organisational aid for students, enabling them to record homework, highlight deadlines and manage their week's activities. However, it is also used as an important method of communication between the Academy and home, enabling staff and parents/carers to communicate with each other. Each module students will record their module grades in their daybook and this allows for effective monitoring of their progress throughout the year. Students are asked to ensure that they have their daybook with them every day and in every lesson their daybook should be out on the desk. The expectation is that students look after their daybook, keeping it free of graffiti and recording only relevant information.

Uniform

For the Academy's Uniform List please see our website:

www.priorylsst.co.uk

(Under the 'Parents' tab).

We strongly recommend that parents/carers refer to this list when buying uniform to prevent any items needing to be changed.

The expectation is that students wear their uniform correctly and with pride when travelling to and from the Academy.

On educational visits students should wear smart trousers or skirts and appropriate tops, shirts or blouses with no offensive logos. It should be remembered that on such excursions the students are representing the Academy and their appearance should reflect that.

Year 10 Marking Guidance

Students' work should be marked regularly. In order for all students to achieve highly, they should understand what they are to do in any piece of work that is to be assessed. In addition to a teacher marking a piece of work, there are other forms of assessment used such as students marking their own work or students marking each other's work.

When work is marked by the teacher, formative comments will be given. These formative comments may include praise as well as ways the pupil could improve the work further in order for them to achieve their target levels.

The following stamps will be visible when work is marked by the teacher:

Identifies good understanding/progress in lessons or homework.	
Identifies what students should do to improve progress.	

Year 10 Homework Expectations

It is Academy policy that homework will be set regularly. Not only does this help consolidate learning that has taken place within the classroom, it also helps establish and develop a work ethic that will serve students well in later life, taking responsibility for their own learning and developing key skills.

Students should expect to receive two pieces of homework from core subjects per week (Maths, English, Science and MFL). Each piece should ideally take them no longer than an hour to complete.

In all other subjects (with the exception of Core PE) it is expected that they complete one piece each week. Homework should never be set for submission the following day.

If a student does not have homework set they can do a number of personalised learning activities.

There is always work to be done. We actively encourage independent study and some suggestions are listed below.

- Re-read notes from the days' lessons to ensure you have understood the work
- Read an article on a topic you have covered during the day
- Make a glossary of key terms from a topic
- Condense the days notes onto revision cards
- Print and complete a past paper
- Test spellings of key words in your subjects

Year 10 Equipment Expectations

The basic equipment that all students should bring to the Academy each day is:

- Daybook
- Pen
- Pencil
- Ruler
- Calculator

In addition to this students are expected to bring a reading book with them each day for use in Form Time and during English lessons.

The Priory Passport

The Academy takes great pride in the accomplishment of our students and we wish to celebrate the many achievements which occur beyond the classroom. The Priory Passport has been designed to support and encourage a student's personal development as well as capturing their successes throughout the year. Through this record we seek to acknowledge and celebrate the many challenges which are overcome and the triumphant accomplishments, no matter how small.

At the start of every year students will be presented with their own Priory Passport. The Passport is divided into four sections; Leadership and personal challenge, Physical, Cultural and Community. Their challenge for the academic year is to complete as many activities in each section as possible. We hope that students take this opportunity to push themselves and try new things so that they are able to look back on and reflect upon a year of exciting and varied accomplishments.

Please refer to our website (under 'Extra-Curricular') for further information on the type of activities that might count towards The Priory Passport as well as an extensive reading list for students in all year groups.

Extra-Curricular Activities

The Academy offers an exciting extra-curricular programme designed to provide a variety of activities for all students. Participation in extra-curricular activities presents an opportunity for students to pursue a passion, take on a new challenge and work as a team with others. The importance of such pursuits in shaping an all-round character should not be underestimated.

For information on clubs and activities please see our website (under the 'Extra-Curricular' tab).

In their first week at the Academy Year 7 students will walk the House Labyrinth and become a member of one of the four House teams – Alexandria, Avalon, Castile or Sempringham. The Academy's Enrichment Leaders will guide students through the House system and keep them up-to-date on the latest activities. There is more information on the House system on our website (under the 'Extra-Curricular' tab).

The Academy Website, Sharepoint and the Home Gateway

www.priorylsst.co.uk

The Academy's website is a one-stop resource for information on all aspects of The Priory Academy LSST. Some of the information you will find on our website is:

- Academy Ethos;
- Trust Policies;
- Uniform List;
- Curriculum Guidance;
- Extra-Curricular Provision.

One area in particular which is worth a visit is the News tab. This area of the site is updated regularly and celebrates the many achievements of our students and staff.

On the website's home page you will find a tab along the top which says 'Home Gateway'. This allows students to remotely access their academy desktop (via Citrix) from home, which is invaluable if they are completing homework or wish to do any further reading and research. Access to this requires the student's log in credentials. Students can also access their emails and Sharepoint on this page without having to log into Citrix. Sharepoint is the Academy's intranet system and by logging into this area students can access department information, year group information and welfare advice and guidance.

During their ICT lessons in Year 7 students have these areas explained and demonstrated and are shown how to access them.

Mobile Phones and Use of Digital Systems Guidance

Students are permitted to use mobile phones before 8.20am and after the end of the academy day (providing they are not taking part in any academy activities). During the academy day mobile 'phones must be switched off and kept out of sight.

Each student is asked to sign a 'Use of Digital Systems' agreement which can be found in the Daybook. By signing this the student is acknowledging that they have read and understood the Trust's E-Safety (Students) Policy and the Acceptable Use Policy and that they agree to abide by the rules at all times.

We also ask a parent/carer to sign the 'Use of Digital Systems' agreement to acknowledge that they too have read the Trust's E-Safety (Students) Policy, the E-Safety Policy (Staff) and the Acceptable Use Policy and to give consent for their child to access the internet and the academy IT systems.

To access these policies you will find them on our Trust website – www.prioryacademies.co.uk. The policies can be found under 'Trust Policies' in the 'ICT' section.

Access to social media sites is not permitted through academy systems. If, as parents/carers, you allow your child to access social media then it is strongly encouraged that you oversee what they do and encourage them to share their activity with you in order to promote safe and positive use. Younger students need more guidance as they start to use social media and so with the education provided by the Academy and support from home a collaborative approach should ensure that students stay safe. Advice and guidance on Internet Safety can be found on our website (under the 'Parents' tab).

E-Safety is embedded throughout the curriculum and is a key part of a student's Personal Development Programme.

In Touch

The 'In Touch Communication System' enables the Academy to correspond with parents/carers via email and text message. We use the text message system for first day absence and attendance communication. In the event that your child is absent from the Academy and we have not had any correspondence from you a text message will be sent to a designated contact and you will be able to reply to the text message to confirm the reason for your child's absence and their expected return date. The email system will be used for sending out letters from the Academy.

For each child the Academy will have a designated contact (the parent/carer who is priority 1 on the contact list) and a designated email address and mobile number. This can be changed at any time by visiting main reception and speaking with one of our receptionists. Parents/carers will be able to 'opt out' of this system; in this instance parents/carers will receive paper communication.
