Registration for UCAS 2021

Dear Parents/Carers,

We hope this finds you safe and well.

We are getting in touch to inform you that registration for UCAS 2021 is now open. All Year 12 students have received an email with instructions on how to register. Registration is free; payment is only taken once an application is submitted. Applications cannot be submitted until mid- September at the earliest.

UCAS offers support to parents and carers through regular newsletters, you can register for these at <https://www.ucas.com/parents-signup>

Students have been receiving regular emails with information about webinars, subject lectures and virtual taster days from an array of universities. These will provide further information regarding their course and university choices.

For those students who are considering making an Early Entry to Oxbridge or to Medicine, Dentistry or Veterinary Science, we ask that a draft personal statement is submitted by email to Mr Milner by 6th July, to allow for feedback prior to the summer vacation. Drafts of all other personal statements should be submitted to Form Tutors from the beginning of September.

Yours faithfully

Mrs C Sharpe

Sixth Form & HE Manager

Mrs E Mellor

Head of Year 12
