

THE PRIORY ACADEMY
LSST

3rd July 2020

Dear Parent/Carer

You will know from previous communications that as an Academy we have been investigating ways to further develop remote learning using Microsoft Teams. Trial sessions with Microsoft Teams have gone well and we are now in position to move this forward.

A full schedule of planned sessions is available here on our website:

<https://www.priorylsst.co.uk/page/?title=Teams+Lessons+%26amp%3B+Meetings&pid=281>

Our training programme for staff is currently being rolled out, so we are aiming to add more sessions as this progresses. Naturally this is subject to current work place restrictions and the resulting suitability of available resources. Nevertheless we are looking to develop resources to enable further blended learning in the future.

All students are able to attend Live Events. Where a student is invited to attend a Teams Meeting we do need consent. For Years 7 - 9 students this needs to come from you as their parent/carer. If you wish to give this now, and have not done so previously, you can do this here:

Year 10 and 12 students are able to give consent themselves. They can do this here:

Year 10 and 12 students will need to login using this link and use their academy email and password. This has also been emailed to them by myself.

Yours faithfully
