

The Priory Academy LSST

Physics GCSE to A-Level transition

Welcome to A-Level Physics! We follow the AQA specification and examinations at The Priory Academy LSST. There will be a combination of theory work, core practicals and data analysis/skills work; which is assessed across three examinations at the end of Year 13.

The Year 12 work is split into four sections:

- Particles and radiation
- Waves
- Mechanics and materials
- Electricity

Here is a link to the specification:
