

THE PRIORY ACADEMY

**LSST**

29<sup>th</sup> January 2021

Dear Parent/ Carer

Your child has been sent a breakdown of their mock result so that they can focus on the topics they found more difficult in the mock examination. Detailed feedback on the questions has been uploaded to SharePoint, for which they have also been given a link. When we see the students back in lessons, they will have the opportunity to see and go through their papers.

As you are no doubt aware, we are waiting for further information from the examination board concerning the assessments in the summer. Currently, we are moving forward with the syllabus as it stands at this present time. In the final week of the module (February 8<sup>th</sup> and 9<sup>th</sup>) students will be set a test based on the work completed so far this module. This will count towards ongoing assessment. After half term we have four more topics to cover to complete the full syllabus. This will give the students plenty of time for revision and refinement.

However, it is our experience that students who revise little and often invariably perform better as their knowledge and understanding is embedded. To help students with this, we have provided the following:

- Students have all been given a revision pack that contains everything that they need to revise.
- Students all have a login for the online ERevision. This resource enables them to review the content and provides them with sample answers. They can attempt the different exercises as many times as they like to improve their scores, and we are able to see their progress.
- On Monday, February 1<sup>st</sup>, we are launching the '100 Days of Revision'. This will be daily content and examination style questions on all areas of the course aimed at helping students review what they have studied. These will be completed through Forms and added to SharePoint each morning; there will be a mixture of multiple choice and longer style questions. This is optional, but it may help students grow in confidence with the course. There may even be a reward for those who complete all 100 days!

If you have any further queries, please contact your child's teacher, but the Academy will keep you updated as and when we receive further information from the examination boards.

Yours faithfully  
Dr Stephens  
(Head of Religious Education)
