

THE PRIORY ACADEMY

LSST

Dear Parents/Carers,

Tuesday, 17 November 2020

The University of York are offering a fantastic opportunity for students to attend an online four-week Masterclass in a flexible learning style which can be completed at their own pace. The whole programme is designed and run by the University of York and experts from around the world. The focus of the Masterclass is cutting edge nuclear physics and applications of nuclear technologies. It will consist of four sessions each with the following titles: Building the Universe one Nucleus at a Time; Nuclear Astrophysics; Fusion Technology; Medical Physics.

For a short information video on the course please use the following link:
<https://www.youtube.com/watch?v=GG06n3Nvrjg>

Students can register independently to begin on Monday 23rd November. If they are interested students will need to follow the link and register themselves to take part in the sessions <https://www.york.ac.uk/physics/public-and-schools/secondary/nuclear-masterclass-online/>

If you have any questions, then please do not hesitate to contact me.

Yours faithfully

Mr D Hill
