Year 8 Handbook

2021-2022

Welcome

Dear Parent/Carer

It is a privilege to be able to introduce myself to you as your child's new Head of Year. Year 8 is always an important year in a student's education, as it is within this year that the students will choose their GCSE options, ready for courses to begin in Year 9. However Year 8 for this year group will contain even more opportunities and challenges than normal, as we hope the students will be able to leave their 'bubbles' for the first time, and experience The Priory Academy LSST in full.

For many students, Year 8 is a time to widen their horizons, both in terms of academic studies and extra-curricular activities. Within lessons they will study a wide variety of subjects, and should be encouraged to work to their best ability in all of these, in order to help them make suitable and well informed GCSE choices later in the year. In addition, many students find that they can take on more extra-curricular challenges in Year 8. We hope to be able to offer a range of options to them both within the Academy and the wider community, ranging from the arts to the sports field, house events to personal challenges.

As a year group, we aim to promote and establish the five Academy values that encourage every student to grow and flourish. Mutual respect and empathy, in addition to a strong work ethic, will allow both individuals and the year group as a whole to be able to achieve their full potential, both this year and throughout their time at the Academy.

Form Tutors work very closely with students on a daily basis in order to support them socially as well as academically. They will contact you as parents/carers when necessary and you are welcome to contact them should you have any concerns or queries, in order to help them to support your child. Our Pastoral Manager Mrs Peters-Bayford and I can also be contacted at any time should you have concerns or anything you would like to discuss.

This handbook contains vital information about all aspects of Year 8 and should be used as a starting point for any questions. However, if at any time throughout the year you would like to discuss with us anything relating to your son/daughter's education, I would encourage you to make contact with either their Form Tutor or Subject Teacher in the first instance.

I look forward to working with you and your child over the coming year.

Miss H Smith
Head of Year 8

Communicating with the Academy

Under normal circumstances your child's Form Tutor is the first person who should be contacted. If it is a subject specific query then please contact their Subject Teacher. More serious issues may require communication with their Head of Year. We politely ask that if you have a concern you wish to discuss that you ring the Academy in order to speak to the relevant member of staff. Teaching staff are not always easy to contact directly but the reception team will always attempt to contact them as soon as is practical. Please be assured that if a member of staff cannot speak with you at the time of your call they will be in contact at their earliest opportunity. Any emails identifying concerns will be responded to, but the member of staff will contact you by telephone to discuss the matter. Please be aware that anything sent in the evening and at weekends may not be responded to until the next working day. We thank parents/carers for their cooperation in this matter.

Attendance Information

The Academy expects that a student's attendance will be 100% in order to ensure that they are able to perform to the best of their ability. To help maintain attendance levels please can we ask that any appointments are made outside of the academy day where possible. However, we understand that some absences are unavoidable and we wish to work with families in these instances. Please do not hesitate to contact the Academy if there is anything you wish to discuss with regards to attendance and what can be done to support you/your child. If a student is absent from the Academy then they will be expected to catch up on any missed work and their Form Tutor and subject teachers will support them with this. The government recognises students as persistently absent if their attendance drops below 90% for the academic year, or is below 90% in any six week period. Understandably we would like to avoid this wherever possible and so it is vital that we work together in ensuring high levels of attendance.

First day calling

If your child is going to be absent then please contact the Academy in the morning, stating a reason for their absence. If your child's absence goes beyond one day we need to be contacted on each subsequent day of absence.

Term time holidays

Due to current regulations the Academy cannot authorise holiday requests unless there are exceptional circumstances. If you believe this may be applicable then please write a letter to the Headteacher outlining the circumstances. Where a student's attendance is below 96%, or there have been previous attendance concerns, the Academy may not grant permission for a request for absence (even in exceptional circumstances). We would ask that holidays continue to be taken during the 175 days when students do not have to be in attendance.

Registration

The academy registration period will now take place in the afternoon session between 12.00 and 13.00. The morning registration mark will now be taken during the period 1 lesson. If any student arrives after 8.30am then they must sign in with a receptionist, either at Main Reception or Sixth Form Reception and then go straight to their period 1 lesson. If students have to leave the site before the end of the Academy day then they should have a note from parents/carers in their daybook, which must be shown to their Form Tutor during afternoon registration or to the relevant teacher at the time the student needs to leave. They must ensure that they sign out at either reception before they leave. If students are unwell during the day then a receptionist will contact home – we ask for safeguarding reasons that students do not contact home directly.

If you wish to discuss your child's attendance then please contact your child's Pastoral Learning Mentor: Mrs N Peters-Bayford npetersbayford@prioryacademies.co.uk

Accessing the Site

During the academy day all visitors must report to reception.

If you are collecting your child at the end of the day by car then we politely ask that parents/carers park on the tennis courts and not at the front of the academy building. We would like to make parents/carers aware that the academy gates will not open until 2.45pm. Therefore we politely ask that you do not try to access the site before this time. For safeguarding reasons we ask that parents/carers wait in their vehicles and do not walk around the site. If you need to speak with a member of staff we ask that you go to main reception where a member of the team will be able to assist you.

If you are collecting your child from the Sixth Form site then we ask parents/carers to be respectful of the residents on Urban Street. Please support the Academy by being mindful of not blocking the road or turning/parking on the zebra crossing.

Before and End of the Academy Day Guidance

Students have access to the Academy Breakfast Club which is open from 8.00am to serve students a healthy breakfast. Other than to attend breakfast club students are not permitted to be in the Academy buildings before 8.20am. If it is raining then students are permitted to stand on the carpeted area in the entrances to the buildings.

For health and safety reasons students should not be on site unsupervised at the end of the day. Any student who is being picked up after 3.30pm must attend a supervised club.

The Student Daybook

The daybook is a resource given to all students on their first day. Primarily it serves as an organisational aid for students, enabling them to record homework, highlight deadlines and manage their week's activities. However, it is also used as an important method of communication between the Academy and home, enabling staff and parents/carers to communicate with each other. Each module students will record their module grades in their daybook and this allows for effective monitoring of their progress throughout the year. Students are asked to ensure that they have their daybook with them every day and in every lesson their daybook should be out on the desk. The expectation is that students look after their daybook, keeping it free of graffiti and recording only relevant information.

We strongly recommend that parents/carers refer to this list when buying uniform to prevent any items needing to be changed. The list is also available on the Academy website: <https://www.priorylsst.co.uk>

The Priory Bacculaureate

During years 7 and 8, students will have one lesson per week where they complete the Priory Bacculaureate Qualification, in which they research a topic of interest to them and each year produce a 500 word essay and a presentation of their findings. This aims to ensure that:

- Students develop and improve their own learning and performance as inquisitive and independent individuals;
- Students are inspired by new areas and/or methods of study;
- The course will support the experiential learning process and provide further opportunities for students to plan and review their learning;
- Students use their learning experiences to support their learning in all subjects and to build their personal aspirations for further study and career development.

Year 8 Attainment and Progress Information

Reports

Reports, sent home to parents and carers, are produced regularly and provide valuable information on the progress that our students are making. The table below shows what information you will receive and when you will receive it during the academic year.

Attitude to Learning (AtL)

An AtL grade is awarded EVERY module. (There are six modules each academic year and three terms). The AtL grade is awarded on a six point scale. Grades are given in letter form (A to F). All staff use the descriptors in the table below when deciding on AtL grades.

Pathways

Currently Key Stage 2 SATs scores are based around a mean score of 100. As a secondary academy we receive the raw scores attained in the SATs and in some cases a teacher assessment of above/at/below age related expectations.

In Key Stage 3 (Year 7 and 8) students will be targeted within one of four pathways. Platinum (for the highest achieving students), Gold, Silver or Bronze. These are calculated from results achieved by students in tests in English and Mathematics taken towards the end of Year 6 at primary school. They will receive a target pathway for English, Mathematics and 'Other Subjects'- these could all be the same or vary depending on results from primary school.

We report home every module on a student's 'Attitude to Learning'. Twice a year we will report alongside Attitude to Learning an 'achievement' grade for every subject.

Year 8 Marking Guidance

Students' work is marked regularly. In order for all students to achieve highly, they should understand what they are to do in any piece of work that is to be assessed. In addition to a teacher marking a piece of work, there are other forms of assessment used such as peer and self - assessment.

When work is marked by the teacher, in accordance with departmental guidelines, formative comments will sometimes be given. These formative comments may include praise as well as ways in which the student could improve the work further in order for them to achieve their target levels and potentially move beyond.

Students' books should show: pride in their work; subject knowledge and practise of skills; regular review; actions following responsive feedback; progress.

In addition to formative comments, some pieces of work may be assessed using a summative assessment level, a comparison against target comment or an examination grade.

Year 8 Homework Expectations

The Academy feels that homework plays an important part in helping to raise levels of achievement. Homework will be set in each subject throughout the week. If you feel there are any problems with homework, please contact your child's Form Tutor.

At The Priory Academy LSST, homework is not an add-on, nor is it an option, but is an integral part of the life of our students. Our staff set homework regularly according to a timetable and assess it carefully. Your co-operation in this matter is absolutely essential if we are to achieve the best for your child.

As a guide your child should be set between one and one and a half hours of homework every evening. At the beginning of the year this will be comprised of three pieces of approximately twenty minutes each. As the year progresses this should lengthen to approximately half an hour per piece. Please find below a guide as to how much homework your child should expect to receive each week. Your child's homework timetable will be recorded in their daybook.

Year 8 Equipment Expectations

The basic equipment that all students should bring to the Academy each day is:

- Daybook
- Pen
- Pencil
- Ruler
- Calculator

Form tutors will carry out an equipment check every morning – we appreciate your support in ensuring your child is fully equipped to learn every day.

In addition to this students are expected to bring a reading book with them each day for use in Form Time and during English lessons.

The Priory Passport

The Academy takes great pride in the accomplishment of our students and we wish to celebrate the many achievements which occur beyond the classroom. The Priory Passport has been designed to support and encourage a student's personal development as well as capturing their successes throughout the year. Through this record we seek to acknowledge and celebrate the many challenges which are overcome and the triumphant accomplishments, no matter how small.

At the start of every year students will be presented with their own Priory Passport. The Passport is divided into four sections; Leadership and personal challenge, Physical, Cultural, and Community. Their challenge for the academic year is to complete as many activities in each section as possible. We hope that students take this opportunity to push themselves and try new things so that they are able to look back on and reflect upon a year of exciting and varied accomplishments.

Please refer to our website (under 'Extra-Curricular') for further information on the type of activities that might count towards The Priory Passport as well as an extensive reading list for students in all year groups.

Extra-Curricular Activities

The Academy offers an exciting extra-curricular programme designed to provide a variety of activities for all students. Participation in extra-curricular activities presents an opportunity for students to pursue a passion, take on a new challenge and work as a team with others. The importance of such pursuits in shaping an all-round character should not be underestimated.

For information on clubs and activities please see our website (under the 'Extra-Curricular' tab).

The Academy Website, Sharepoint and the Home Gateway

www.priorylsst.co.uk

The Academy's website is a one-stop resource for information on all aspects of The Priory Academy LSST. Some of the information you will find on our website is:

- Academy Ethos;
- Trust Policies;
- Uniform List;
- Curriculum Guidance;
- Extra-Curricular Provision.

One area in particular which is worth a visit is the News tab. This area of the site is updated regularly and celebrates the many achievements of our students and staff.

On the website's home page you will find a tab along the top which says 'Home Gateway'. This allows students to remotely access their academy desktop (via Citrix) from home, which is invaluable if they are completing homework or wish to do any further reading and research. Access to this requires the student's log in credentials. Students can also access their emails and Sharepoint on this page without having to log into Citrix. Sharepoint is the Academy's intranet system and by logging into this area students can access department information, year group information and welfare advice and guidance.

Mobile Phones and Use of Digital Systems Guidance

Students are permitted to use mobile phones before 8.20am and after the end of the academy day (providing they are not taking part in any academy activities). During the academy day mobile phones must be switched off and kept out of sight.

To access the Academies policies regarding E-Safety please visit the Trust website – www.prioryacademies.co.uk. The policies can be found under 'Trust Policies' in the 'ICT' section.

Access to social media sites is not permitted through academy systems. If, as parents/carers, you allow your child to access social media then it is strongly encouraged that you oversee what they do and encourage them to share their activity with you in order to promote safe and positive use. Younger students need more guidance as they start to use social media and so with the education provided by the Academy and support from home a collaborative approach should ensure that students stay safe. Advice and guidance on Internet Safety can be found on our website (under the 'Parents' tab).

E-Safety is embedded throughout the curriculum and is a key part of the Academy Awareness Programme followed by all students.

In Touch

The 'In Touch Communication System' enables the Academy to correspond with parents/carers via email and text message. We use the text message system for first day absence and attendance communication. In the event that your child is absent from the Academy and we have not had any correspondence from you a text message will be sent to a designated contact and you will be able to reply to the text message to confirm the reason for your child's absence and their expected return date. The email system will be used for sending out letters from the Academy.

For each child the Academy will have a designated contact (the parent/carer who is priority 1 on the contact list) and a designated email address and mobile number. This can be changed at any time by visiting main reception, speaking with one of our receptionists and completing a new Data collection form. Parents/carers will be able to 'opt out' of this system; in this instance parents/carers will receive paper communication.

Sims Parent App and Sims Pay

These are two systems which parents/carers can use which help communications and process payments made towards activities for our students. These both link with our school information management system (SIMS) which means all information is accurate and up to date.

SIMS Parent App

Our parent app and website will allow parents/carers to access information at their own convenience via smartphone, tablet or PC – anytime, anywhere.

You can also review **and request changes** to the data held direct from a smartphone/website.

What information is on SIMS Parent?

- School term, inset dates and contact details available at the click of a button
- Access to update contact details, so we always have the most up-to-date information in case of emergency

SIMS Pay

SIMS Pay is web based and will ensure parents can make payments securely for trips and events, as well as providing consent. Once registered parents will be able to make payments easily and securely online rather than give students cash/cheques to bring into the academy. This is used for all school trip/event payments, payments towards Priory Leisure, CCF and DoE activities.

Parents/Carer with older children already in attendance will not have to register again for either system when other family members join the academy. Parents/Carers who are new to the school with students joining year 7 will receive an invitation to register for the Parent App and SIMS Pay.
