

THE PRIORY ACADEMY

**LSST**

23<sup>rd</sup> February 2022

Dear Parent/Carer

As you will be aware, the government has updated some elements of its guidance in relation to Covid-19 protocols.

At this stage, the two main points that affect schools are:

- If your child has symptoms of Covid-19, the same advice remains in place: isolate, take a PCR test and follow the national guidance regarding isolation if the test is positive.
- Government guidance no longer advises routine asymptomatic (LFD) testing for pupils, either within school or at home. We are therefore not being provided with any more LFD test kits for distribution to pupils.

National advice continues to be clarified and updated on a frequent basis. We will continue to keep you informed of any changes as and when they come into force.

Thank you, once again, for your continued support.

Yours faithfully

Mrs J Hopkinson  
Headteacher
