The Priory Academy LSST Sixth Form Dress Code

One of the core values at The Priory Academy LSST is *Aspiration*. We instil an attitude of hard work and determination in our students and this is reflected in our business style dress code. We want to prepare our students for work, present them as role models for lower school and as ambassadors within the wider academy community.

Parents/carers support their children when they choose to attend The Priory Academy LSST in the full knowledge of what our dress code requires of Sixth Form students. If students fall below our expected standards repeatedly, they may be asked to return home to change.

The Priory Academy LSST Sixth Form Dress Code

The student lanyard should be worn at all times for safeguarding those on site. All students should wear a **two piece business style outfit** that can consist of:

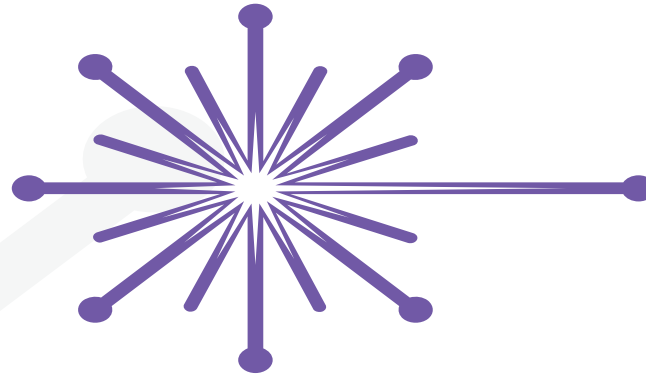

- Jacket and skirt
- Jacket and dress
- Jacket and tailored trousers
- Where a skirt or dress is worn this should be of an appropriate length for a work environment.
- Where a tailored shirt is worn this should be tucked in and worn with a tie.
- When a tailored shirt is not worn a smart top should be worn.
- Formal jumpers may be worn under a jacket but should be of a V neck or crew neck style. Zip style jumpers, sweatshirts/hoodies or jumpers with logos are not permitted. Chunky jumpers that cannot be worn under a jacket are also not permitted.

The Priory Academy LSST Sixth Form Dress Code

- Shoes or boots should cover the foot at the front and back and should not be in the style of 'Doc Martens'. Boots may be worn with a skirt or dress as well as with trousers as long as they are of a formal work style.
- Hairstyles should be in accordance with smart business dress – any dye should be of a natural colour.
- The Academy is responsible for ensuring that jewellery worn does not pose a risk to those on site. There should be a maximum of three piercings in either ear and there should be no facial piercings. Hooped earrings should be no larger than 2cm in diameter.

Attendance

- Same as lower school – parents should ring in and report the absence on the attendance line.
- If you have an appointment which you know about in advance then you should show the details of this to Mrs Nuttall in the GFB who will code the register accordingly.
- Attendance concerns will be raised – Mrs Nuttall will alert HoY if your attendance drops below 95%
- Supervised Study Periods (1 per subject) count as part of the allocated time and therefore attendance is compulsory.
- Driving lessons can take place during a free period but you must have the form signed off before they can start.

The Priory LSST Lifeguard Team

The Priory Academy LSST has established an excellent opportunity for 6th form students to join our team of qualified lifeguards. The team support the pool staff with the lower school curriculum aquatic lessons.

This is an excellent way to introduce yourself to the working world and the responsibilities that come with becoming a staff member-plus you get to most importantly, earn some money!

If this sounds like a role you would be interested in, these are the next steps:

Step 1: Email efrench@prioryacademies.co.uk to express your interest in working in the LSST Lifeguard team.

Step 2: You will need to find and complete a National Pool Lifeguard Qualification (NPLQ) course. <https://www.rlss.org.uk/find-a-course>

Mrs French will be in the 6th Form Common room at lunchtime should you have any questions.

Music and Drama

- There is a wide selection of extra-curricular Music clubs which the sixth form students often help to organise and run with the music staff.
- The Senior Choir performs to an excellent standard and always welcomes new singers – we perform at a range of events throughout the year, singing a wide variety of musical styles
- The School Show usually takes place in February – roles available both on and off stage
- There are also opportunities for students to perform as soloists or form their own bands/ensembles

House system for Year 12

- In Year 12 we don't have House Captains, instead we have House Ambassadors.
- House Ambassadors are responsible for helping with lower school events such as year group Benchball, Priory Impossible and Sports Day.
- House Ambassadors take charge such as refereeing Bench ball, so you need to be confident and enthusiastic working with KS3 students.
- It is a great way to develop your leadership qualities and get involved in school life.

Other Clubs and societies

There is a vast array of clubs and societies. Here are just a few.

- Student Academy Council
- The FACT Team
- The Green Council
- Wellbeing Ambassadors
- Anti-bullying Ambassadors
- The Medical Society – set up by Year 12 students
- Priory Pride
