Year 10 Handbook

2024-2025

Welcome from the Head of Year

Dear Parents and Carers,

We are delighted to present this handbook as a guide to support your child's ongoing journey through Year 10 at our school. As we reflect on the remarkable progress they have made thus far, we are incredibly proud of their achievements. Your children have shown dedication, resilience, and a growing sense of responsibility that sets the foundation for even greater success in the future.

However, this is also a pivotal year. Year 10 marks a critical stage in their academic and personal development, and staying focused on their goals is more important than ever. The challenges ahead will require continued effort, discipline, and the ability to manage their time effectively. With GCSEs approaching, it is vital that they keep their commitment strong, embracing each opportunity to learn and grow.

To ensure this progress continues, collaboration is key. The partnership between the school, the teachers, you as parents, and the students themselves will be crucial to their success. We are committed to providing the highest quality of education, and our dedicated teachers are here to guide and inspire. Your role in encouraging, motivating, and supporting your child at home is equally important. Together, we can ensure that each student reaches their full potential and is fully prepared for the challenges ahead.

We look forward to continuing this journey together with you and your child.

Yours faithfully

Mr B N Smith

Head of Year 10

Communicating with the Academy

Under normal circumstances your child's Form Tutor is the first person who should be contacted. If it is a subject specific query, then please contact their Subject Teacher. More serious issues may require communication with their Head of Year. We politely ask that if you have a concern you wish to discuss that you ring the Academy in order to speak to the relevant member of staff. Teaching staff are not always easy to contact directly but the reception team will always attempt to contact them as soon as is practical. Please be assured that if a member of staff cannot speak with you at the time of your call they will be in contact at their earliest opportunity. Any emails identifying concerns will be responded to, but the member of staff will contact you by telephone to discuss the matter. Please be aware that anything sent in the evening and at weekends may not be responded to immediately and staff will make contact at the earliest opportunity during working hours. We thank parents/carers for their cooperation in this matter.

Attendance Information

The Academy expects that a student's attendance will be 100% in order to ensure that they are able to perform to the best of their ability. To help maintain attendance levels please can we ask that any appointments are made outside of the academy day where possible. However, we understand that some absences are unavoidable, and we wish to work with families in these instances. Please do not hesitate to contact the Academy if there is anything you wish to discuss with regards to attendance and what can be done to support you/your child. If a student is absent from the Academy then they will be expected to catch up on any missed work and their Form Tutor and subject teachers will support them with this. The government recognises students as persistently absent if their attendance drops below 90% for the academic year, or is below 90% in any six-week period. Understandably we would like to avoid this wherever possible and so it is vital that we work together in ensuring high levels of attendance.

First day calling

If your child is going to be absent then please contact the Academy in the morning, stating a reason for their absence. If your child's absence goes beyond one day, we need to be contacted on each subsequent day of absence.

Term time holidays

Due to current regulations the Academy cannot authorise holiday requests unless there are exceptional circumstances. If you believe this may be applicable, then please complete an absence request form (available on the Parent section of the academy website: [Absence Request Form](#)) outlining the circumstances and send this into the academy reception. Where a student's attendance is below 96%, or there have been previous attendance concerns, the Academy may not grant

permission for a request for absence (even in exceptional circumstances). We would ask that holidays continue to be taken during the 175 days when students do not have to be in attendance.

Registration

All students are expected to be present for morning registration, this will be undertaken at 8.30am by their Form Tutor. If any student arrives after 8.55 am then they must sign in with a receptionist, either at Main Reception or Sixth Form Reception. If students have to leave the site before the end of the academy day, then they should have a note from parents/carers which must be shown to their Form Tutor during morning registration or details emailed to Mrs Fields. They must ensure that they sign out at either reception before they leave. If students in Year 9 are unwell during the day then a receptionist will contact home – we ask for safeguarding reasons that students **do not** contact home directly.

If you wish to discuss your child's attendance, then please contact your child's Pastoral Manager.

Accessing the Site

During the academy day all visitors must report to reception.

If you are collecting your child at the end of the day by car then we politely ask that parents/carers park on the tennis courts and not at the front of the academy building. We would like to make parents/carers aware that the academy gates will not open until 2.45pm. Therefore, we politely ask that you do not try to access the site before this time. For safeguarding reasons we ask that parents/carers wait in their vehicles and do not walk around the site. If you need to speak with a member of staff we ask that you go to main reception where a member of the team will be able to assist you.

If you are collecting your child from the Sixth Form site then we ask parents/carers to be respectful of the residents on Urban Street and the businesses on Clayton Road. Please support the Academy by being mindful of not blocking the roads or turning/parking on the zebra crossing.

Before and End of the Academy Day Guidance

Students are not permitted to be in the academy buildings before 8.20am. If it is raining then students are permitted to stand on the carpeted area in the entrances to the buildings and in more severe weather staff will take the appropriate action.

For health and safety reasons students should not be on site unsupervised at the end of the day. Any student who is being picked up after 3.30pm must attend a supervised club or wait to be collected from the bus bays at the front of the Academy site.

Uniform

We strongly recommend that parents/carers refer to this list when buying uniform to prevent any items needing to be changed. The list is also available on the Academy website: <https://www.priorylsst.co.uk>

Year 10 Assessment, Recording and Reporting Information

Marking

Students' work is marked regularly. In order for all students to achieve highly, they should understand what they are to do in any piece of work that is to be assessed. In addition to a teacher marking a piece of work, there are other forms of assessment used such as peer and self - assessment. Regularity of this marking will vary between subject areas.

When work is marked by the teacher, in accordance with departmental guidelines, formative comments will sometimes be given. These formative comments may include praise as well as ways in which the student could improve the work further in order for them to achieve their target levels and potentially move beyond.

Students' books should show: pride in their work; subject knowledge and practise of skills; regular review; actions following responsive feedback; progress.

In addition to formative comments, some pieces of work may be assessed using a summative assessment level, a comparison against target comment or an examination grade.

Reports

Reports, sent home to parents and carers, are produced regularly and provide valuable information on the progress that our students are making. The table below shows what information you will receive and when you will receive it during the academic year.

Concern	D/4 This student:	fails to embrace challenge and gives up if tasks require effort	appears unwilling to try new things and creates barriers to learning	displays little drive and motivation and does not appear to want to do well	Rarely makes positive contributions and often distracts others and disrupts their learning	struggles to communicate positively with others, showing little understanding of their views and feelings

Year 10 Homework Expectations

The Academy feels that homework plays an important part in helping to raise levels of achievement. Homework will be set in each subject throughout the week. If you feel there are any problems with homework, please contact the Form Tutor.

At The Priory Academy LSST, homework is not an add-on, nor is it an option, but is an integral part of the life of our students. Our staff set homework regularly according to a timetable and assess it carefully. Your co-operation in this matter is absolutely essential if we are to achieve the best for your child.

As a guide your child should be set between one and one and a half hours of homework every evening.

Your child's homework will be set via satchel:one, where you are able to keep a track of what is due and when. To support students in Year 7 with the organisation of their homework and time they will be provided with an Academic Year Diary by their Form Tutor on the first day.

Year 10 Equipment Expectations

The basic equipment that all students should bring to the Academy each day is:

Pen;

Pencil;

Ruler;

Calculator.

In addition to this students are expected to bring a reading book with them each day for use in Tutor Time and during English lessons. Reading regularly is an essential part of educational success and we place great emphasis on students reading for pleasure to support their education. There is a recommended reading list for students in Year 9 available on the website.

The Enrichment Passport

The Academy takes great pride in the accomplishment of our students and we wish to celebrate the many achievements which occur beyond the classroom. The Enrichment Passport has been designed to support and encourage a student's personal development as well as capturing their successes throughout the year. Through this record we seek to acknowledge and celebrate the many challenges which are overcome and the triumphant accomplishments, no matter how small.

At the start of every year students will be presented with their own Enrichment Passport. The Passport is divided into five sections based on our Academy Values; Innovation, Aspiration, Respect, Resilience and Inspiration. Their challenge for the academic year is to complete as many activities in each section as possible. We hope that students take this opportunity to push themselves and try new things so that they are able to look back on and reflect upon a year of exciting and varied accomplishments.

Please refer to our website (under 'Extra-Curricular') for further information on the type of activities that might count towards The Enrichment Passport as well as an extensive reading list for students in all year groups.

Extra-Curricular Activities

The Academy offers an exciting extra-curricular programme designed to provide a variety of activities for all students. Participation in extra-curricular activities presents an opportunity for students to pursue a passion, take on a new challenge and work as a team with others. The importance of such pursuits in shaping an all-round character should not be underestimated.

For information on clubs and activities please see our website (under the 'Extra-Curricular' tab).

The Academy Website, SharePoint and the Home Gateway

www.priorylsst.co.uk

The Academy's website is a one-stop resource for information on all aspects of The Priory Academy LSST. Some of the information you will find on our website is:

Academy Ethos;
Trust Policies;
Uniform List;
Curriculum Guidance;
Extra-Curricular Provision.

One area in particular which is worth a visit is the News tab. This area of the site is updated regularly and celebrates the many achievements of our students and staff.

On the website's home page you will find a tab along the top which says 'Home Gateway'. This allows students to remotely access their academy desktop (via Citrix) from home, which is invaluable if they are completing homework or wish to do any further reading and research. Access to this requires the student's log in credentials. Students can also access their emails and SharePoint on this page without having to log into Citrix. SharePoint is the Academy's intranet system and by logging into this area students can access department information, year group information and welfare advice and guidance.

Mobile Phones and Use of Digital Systems Guidance

Students are permitted to use mobile phones before 8.20am and after the end of the academy day (providing they are not taking part in any academy activities). During the academy day mobile phones must be switched off and kept out of sight unless explicitly advised otherwise by a member of staff.

To access the Academies policies regarding E-Safety please visit the Trust website – www.prioryacademies.co.uk. The policies can be found under 'Trust Policies' in the 'ICT' section.

Access to social media sites is not permitted through academy systems. If, as parents/carers, you allow your child to access social media then it is strongly encouraged that you oversee what they do and encourage them to share their activity with you in order to promote safe and positive use. Younger students need more guidance as they start to use social media and so with the education provided by the Academy and support from home a collaborative approach should ensure that students stay safe. Advice and guidance on Internet Safety can be found on our website (under the 'Parents' tab).

E-Safety is embedded throughout the curriculum and is a key part of the Academy Awareness Programme followed by all students.

In Touch

The 'In Touch Communication System' enables the Academy to correspond with parents/carers via email and text message. We use the text message system for first day absence and attendance communication. In the event that your child is absent from the Academy and we have not had any correspondence from you a text message will be sent to a designated contact and you will be able to

reply to the text message to confirm the reason for your child's absence and their expected return date. The email system will be used for sending out letters from the Academy.

For each child the Academy will have a designated contact (the parent/carer who is priority 1 on the contact list) and a designated email address and mobile number. This can be changed at any time by visiting main reception, speaking with one of our receptionists and completing a new Data collection form. Parents/carers will be able to 'opt out' of this system; in this instance parents/carers will receive paper communication.

Sims Parent App and ParentPay

There are two systems for parents/carers to use which help communications and process payments made towards activities for our students. These both link with our school information management system (SIMS) which means all information is accurate and up to date.

SIMS Parent App

Our parent app and website will allow parents/carers to access information at their own convenience via smartphone, tablet or PC – anytime, anywhere.

You can also review **and request changes** to the data held direct from a smartphone/website.

What information is on SIMS Parent App?

- Academy term, inset dates and contact details available at the click of a button;
- Access to update contact details, so we always have the most up-to-date information in case of emergency;
- If parents have more than one child at school, access to information for all the children, from the same app;
- As the year progresses a view of assessment information, as it is published, normally at the end of each module.

ParentPay

ParentPay is web based and will ensure parents/carers can make payments securely for trips and events, as well as providing consent. Once registered parents/carers will be able to make payments easily and securely online rather than give students cash/cheques to bring into the Academy. This is also how parents/carers pay for their children to use the academy's catering facilities using a biometric till system. Children do not use cash in the dining rooms but instead use the 'credit' parents have added using ParentPay. It is used for all academy trip/event payments, payments towards Priory Leisure, CCF and DoE activities.

Satchel:One

Satchel:One is an all-in-one platform designed to make life easier for students, teachers, and parents. Here's how we use it in our academy:

- **Homework Management:** Teachers assign and track homework. Students can easily see their assignments and deadlines, and as parents, you can stay informed about your child's homework, helping them stay on top of their tasks.
- **Awarding House Points:** We celebrate student achievements and positive behaviour by awarding house points. You can see the house points your child earns and join in celebrating their successes.
- **Student Notices:** Important notices and announcements are shared through Satchel:One, ensuring students never miss out on crucial information. As parents/carers you too, will have access to these notices.
- **Detentions and Behaviour Logging:** Our staff logs detentions and track student behaviour through the platform. You will be able to view any logged detentions or behaviour notes, so you're always aware of your child's conduct at school.

Students can sign in easily using their Microsoft 365 school account, ensuring secure and seamless access. Parents/carers will be provided with a parental code which will link your logon to your child. With Satchel:One, you'll have a clear window into your child's school life, making it easier than ever to support their education.
