Revision preparation

Top tips for parents and carers on how to support revision at home, including make revision timetables, the importance of the mocks and what to do on examination days

Revision timetables

- A revision timetable is a plan for how your child is going to cover all of their revision in time for their exams. There's no one-size-fits-all to revision timetables.
- Sit with your child and help them create their own **revision timetable**, planning months ahead of exam time
- Smaller, regular revisions sessions are usually much more productive than cramming, so starting revision well in advance is a good strategy.

Mock revision

The mocks are really important for your child, and for their teachers.

Need to start revision now!

We use them along with tests scores to work out:

- a) Current 'working at grades'
- b) Identify gaps in knowledge
- c) Use to inform revision in lessons going forward
- d) Tiers

But don't panic if it doesn't all go to plan!

Tiers – what do they mean?

Tiers are very important to be aware of – they support students but also can limit grades

Tiers – what do they mean?

Grade	% on Higher	% on Foundation
8	85	
7	70	
6	55	
5	35	70
4	23	60
3		40
2		26

Mock feedback

- Each subject will feedback differently but here are some examples of departmental feedback on the tables.
- These can be used to help guide your child when constructing their revision timetables for the Summer
