

Further Support for Home Learning

Academy Activities and Resources

Awareness

Awareness forms part of our Academy Personal Development Programme. Form Tutors deliver Awareness to students and it covers elements such as PSHE, Careers and Wider World, British Values, Online Safety and Sex and Relationship Education. Starting week commencing 30th March we will upload Awareness resources onto SharePoint for students to work through.

House Events

Our Enrichment Team will be setting students House Events during this time via SharePoint and our Email System. Please encourage your child to take part in these.

PE Activities

The PE department will be posting challenges on SharePoint during this period to help students keep activities and exercise.

Wellbeing SharePoint Page

A range of activities are being added to our Wellbeing SharePoint page to support students with their Mental Health during this time and mindfulness.

Online Resources

GCSE POD

<https://www.gcsepod.com/>

All of our Year 9-11 students can sign into GCSE Pod where they can listen to podcasts on the subjects they study.

Audible

<https://stories.audible.com/discovery>

Audible streams children's literature online. It is currently free to use during the school closures.

Seneca

<https://www.senecalearning.com>

For those revising at GCSE or A level there is a lot of free revision content here.

Blockly

<https://blockly.games>

Students can use this website to learn computer programming skills in fun way and for free. Suitable for Key Stage 3 students.

Scratch

<https://scratch.mit.edu/explore/projects/games/>

Creative computer programming. Suitable for Key Stage 3 students.

Ted Ed

<https://ed.ted.com>

A range of engaging educational videos.

Duolingo

<https://www.duolingo.com>

Students can learn languages for free. Web or app based.

Mystery Science

<https://mysteryscience.com>

Free online science lessons.

The Kids Should See This

<https://thekidshouldseethis.com>

A range of engaging educational videos.

Geography Games

<https://world-geography-games.com/world.html>

Learn Geography by gaming!

Twinkl

<https://www.twinkl.co.uk>

This website is designed for teachers and is more for printouts, and usually at a fee, but they are offering a month of free access to parents in the event of school closures.

BBC Learning

<http://www.bbc.co.uk/learning/coursesearch/>

This site is old and no longer updated but there are still a lot of relevant learning resources available, from language learning to BBC Bitesize for revision. No TV licence required except for content on the BBC iPlayer.

Lincoln Live

<https://www.lincoln.ac.uk/home/?bblinkid=211108068&bbemailid=20079045&bbejrid=1415904682>

A series of educational online discussions which will take place every Wednesday at 2pm starting on Wednesday 25 March.

STEM learning

<https://www.stem.org.uk/home-learning>

Resources for home learning and continuing in school delivery.

Crash Course

<https://thecrashcourse.com>

You Tube videos on many subjects

Marvin and Milo

There is a great set of short physics based 'try at home' activities on colourful cards featuring cartoon animals here: <https://spark.iop.org/collections/marvin-and-milo>

British Science Week

British Science Week resources can be found here: <https://www.britishscienceweek.org/plan-your-activities/activity-packs>

WE Schools

<https://www.we.org/en-GB/our-work/we-schools/>

Pastoral, social action package.

Celebrity Lessons

Here's a few examples of what various celebrities are offering to help with their education while schools are closed:

Live at 9am Monday-Friday - PE with Joe Wicks https://youtu.be/6v-a_dpwhro

English with David Walliams: <https://www.worldofdavidwalliams.com/elevenses/>

Cooking with Jamie Oliver:

<https://m.youtube.com/watch?v=eJLA2RIZNq4&list=PLcpoB2VESJme7ISxXEcXyVtFPsMI78lcl>

Dancing with Oti Mabuse: <https://www.youtube.com/user/mosetsanagape/videos>

Science with Professor Brian Cox, Robin Ince & Guests:
