

YEAR 11 PHOTOGRAPHY INDUCTION- CHOICE B

MATERIALS

You will need to have the following materials/ equipment ready to use for your first lesson:

- Black & White 35mm Film (both available from the school shop)
- A3 sketchbook with black pages, available from The Range store or Pink Pig online!
Black sketchbooks are also available at a cheaper price from the school shop.
- A5 journal/ notebook (these are available from the school shop)
- A2 Project/ portfolio folder
- Silver/ white pen
- Pritt stick glue
- A4/ A3 Photo paper (inkjet). This can be found at the Range or Curry's as well as supermarkets.
- Photographic Paper for dark room processing. Ilford is the top brand. Many shops don't sell this anymore but you can source it online. Gloss or semi matt, Ilford Multi-grade (variable contrast) would be ideal.
- A digital SLR camera would be really useful! These come in all shapes, sizes and cost. It really is up to you what you get but it doesn't have to be expensive. (We do have cameras to rent out from the department however to ensure your files are secure it is best to have your own SD card.)
- A memory Stick is helpful to back up your work.

SUMMER TASK

For your summer holiday project I'd like you to demonstrate your creativity.

One photograph is required for each of the following topic

- Line
- Eat
- Land
- Materials
- Up
- Water
- Favorite
- Colour
- Figure
- Time

We will look at and discuss each other's work in your first lesson. If you have a colour printer at home, you can print them off there or do it in school before your lesson. There is a colour printer by Q36 (near 6th form reception) which will be one of your main Photography rooms. Enjoy and have fun!
