# Revision Resources

This presentation is intended to give you an overview of the revision resources that are recommended by all the different GCSE subject departments.

Please be aware that there is no expectation for you to buy any of these for your child – but we are often asked which revision resources are recommended for each subject, and so have collated a list here.

There are a huge range of free revision resources available through Sharepoint, plus websites such as BBC Bitesize, Seneca and GCSE Pod. All our students have free access to all of these websites. In addition, they will have their comprehensive notes and resources from three years of GCSE classwork and homework in each subject.
