

# **Homework Timetable**

**2017-2018**

## The Purpose of Homework

- To encourage pupils to develop the skills, confidence and motivation needed to study effectively on their own. This is vital, given the importance for pupils in the future, of life long learning and adaptability in the workplace;
- To extend school learning, for example through additional reading;
- To consolidate, practise and reinforce skills and understanding developed at school;
- To sustain the involvement of parents and carers in the management of pupils' learning and keeping them informed about the work pupils are doing;
- To manage particular demands, such as GCSE coursework;
- To enable work not suited to the classroom situation such as research or surveys.

We also expect all pupils to read regularly and would expect them to read for 20 – 30 minutes each evening.

## General Information

A Homework Timetable will be produced at the beginning of each year to ensure that the total amount of homework set for students, either daily or weekly, is consistent and manageable for them.

A Homework Diary (Planner) will be provided for all pupils to record their homework. The Diary should be kept with them at all times, and students should get it out at the start of each lesson with their books, pens etc. Students who have lost their Diary can buy a new one from the SSA Office.

Homework should be written on the board before the end of the lesson, to give students a chance to copy it down. Teachers should check that the homework is written down, before students leave the classroom.

Teachers set homework, students complete it, parents sign the Diary each week, form tutors check and sign the Diary, with the process supervised by the Heads of Year. Tutors/Teachers should use the Diary to communicate with parents.

Homework should be an integral element of the curriculum and feedback from the homework should be built into following lessons.

Homework needs to be given a high profile around the school and homework that is completed well should be acknowledged and praised/rewarded through the merit system.

# Year 7 Homework Timetable

	<u>Monday</u>	<u>Tuesday</u>	<u>Wednesday</u>	<u>Thursday</u>	<u>Friday</u>
<b>7.1</b>	Music English	German Technology	Art RE History	Science Drama Geography	ICT Maths

# Year 9/10/11 Homework Guidance

## Year 9

Below is a timetable for the EBacc subjects. Other subjects will fit according to individual timetables.

P Band				
Monday	Tuesday	Wednesday	Thursday	Friday
MFL	Science	Maths	Science	English
	English	MFL		Maths

  

Q Band				
Monday	Tuesday	Wednesday	Thursday	Friday
MFL	Science	Maths	Science	English
Maths		English		
		MFL		

*\* Geography/History homework to be set once per week depending on when lesson is taught.*

## Year 9/10/11

Students should expect to receive at least one homework from each option subject per week and two pieces of homework from core subjects per week (Maths, English, Science). Homework should never be set for completion the following day.

If a student does not have homework set they can do a number of personalised learning activities. There is always work to be done.

### **We recommend 45mins on each piece of work**

We actively encourage independent study—Some suggestions are set out below.

Re-read notes from the days lessons to ensure you have understood

Read an article on a topic you have covered during the day

Make a glossary of key terms from a topic

Condense the days notes onto revision cards

Print and complete a past paper

Test spellings of key words in your subjects
