Dear Parent/Carer

THE DUKE OF EDINBURGH'S (DofE) AWARD – BRONZE LEVEL 2023 COHORT

I am pleased to announce that the 2023-24 DofE Bronze Award selection process is now open for The Priory Academy LSST students. Year 9 will receive an assembly presentation to introduce the award. The Bronze Award is open to all students who are at least 14 years old in that academic year. Due to this regulation change we now offer Bronze to start in Year 9. The award is held in high regard by universities, employers in the UK and internationally due to the high level of commitment, participation and teamwork that is required for successful completion. The award is achieved by completing these four sections:

Expedition: Candidates will expect to travel around 24km over two days with at least six hours' activity each day. There are nine areas of training covered across a number of compulsory weekend sessions; these include an introduction to the eDofE system, navigation, camp craft, expedition planning, first aid training, a practice expedition and then an assessed expedition over 'Normal Terrain'. It is vital that candidates attend these weekend sessions and complete the practice expedition in order to have a successful assessed expedition. In addition they will be required to complete a team presentation after their assessed expedition.

Physical: Candidates ~~are to~~ participate weekly in a physical activity, setting goals and recording participation.

Skills: Candidates ~~are to~~ learn /develop a skill through activity, recording weekly participation to achieve a stated aim.

Volunteering: Candidates ~~are to~~ volunteer either in the school or their local community in non-curriculum time for the benefit of others. Again, this should be done on a weekly, recorded basis.

Apart from the expedition, two sections last three months with one section lasting six months. Regular participation would normally be one hour per week for each section. Please note that curriculum or academy-organised activities cannot count towards the DofE sections. All activity and goal setting, as well as participation, are recorded online using the eDofE record system. This allows statements and images to be attached as evidence. A formal certificate and lapel badge is presented on successful completion at an academy celebration event. Further information about the DofE Award can be found at: www.dofe.org, on SharePoint and the academy website. This year we would also like **to invite parents to a virtual information evening on Wednesday 27th September 2023** to hear more about the award and how we deliver it.

The scheme demands a very high level of commitment from its participants, who will be expected to start on the programme in November. Failure to complete all training events may result in the candidate being withdrawn from the award. The award's ethos is one of independence and self-discipline; a candidate who fails to uphold the Trust's standards on discipline and behaviour within academy time and award time, will jeopardise their place on the award. All monies paid will be forfeited and non-refundable. If your child is fully aware of this from the outset, then the scheme offers fantastic and rewarding opportunities. Please take time to consider the commitment before an application is made. A selection process is undertaken to ensure that we have sufficient information for us to make a decision on entry to the programme.

If you wish to apply for a place on the DofE Bronze Award please complete the form attached to this letter. All applications must be **handwritten** and submitted to the academy either by email (LSSTDofE@prioryacademies.co.uk) or handed into their Head of Year by **0900hrs Wednesday 4th October 2023**.

The cost of the Bronze Award is **£300**. This will include all costs incurred; licensing, registration, staffing, transport, expedition fees, loan of equipment and accommodation plus certification. Once students are successful in their application, further registration paperwork will be released with three payment options: a one-off upfront payment, three termly payments or ten monthly payments. Please note that all training is regulated by the DofE Award with all staff involved being accredited with the Priory Federation Licensing Authority.

We hope you feel that this is an opportunity worthy of the effort it demands. If there are any questions regarding the DofE Award I am very happy to discuss them with you further.

Yours faithfully

Declaration by Parent/Carer:

We understand that the DofE Award requires commitment to activities outside of academy time including some weekends. Completion of the Award is dependent on my child committing to the activities chosen by them, over a significant period of time through regular attendance of their chosen activities.

We acknowledge that to complete the award they are required to plan and execute two separate expeditions that involve overnight camping, teamwork, navigation and walking with all their required equipment.

Please note, participants are not directly supervised on these expeditions in accordance with DofE requirements.
